SS PROGRAM

A screenshot of the Visual Studio Code interface. The terminal window is active, showing a login prompt. The prompt asks for a username and password. The user has entered 'Admin' for both. The terminal output is as follows:

```
Masukkan Username Anda >> Admin
Masukkan Password Anda >> Admin1
```

The status bar at the bottom indicates the file is 'Main.java - Praktikum_PBO - Visual Studio Code'. The terminal has 8 lines and 65 columns. The status bar also shows 'Spaces: 4', 'UTF-8', 'CRLF', 'Java', 'Go Live', 'Prettier', and a 'More Information' button.

A screenshot of the Visual Studio Code interface. The terminal window is active, showing a data entry program. The program prompts the user to enter data for a manga. The user has entered the following data:

```
=====
NAMBAH DATA MANGA
=====
Ingin menambah berapa data >>
2
