

NIM : 2109106096

Nama : Filipus Adriel Manik

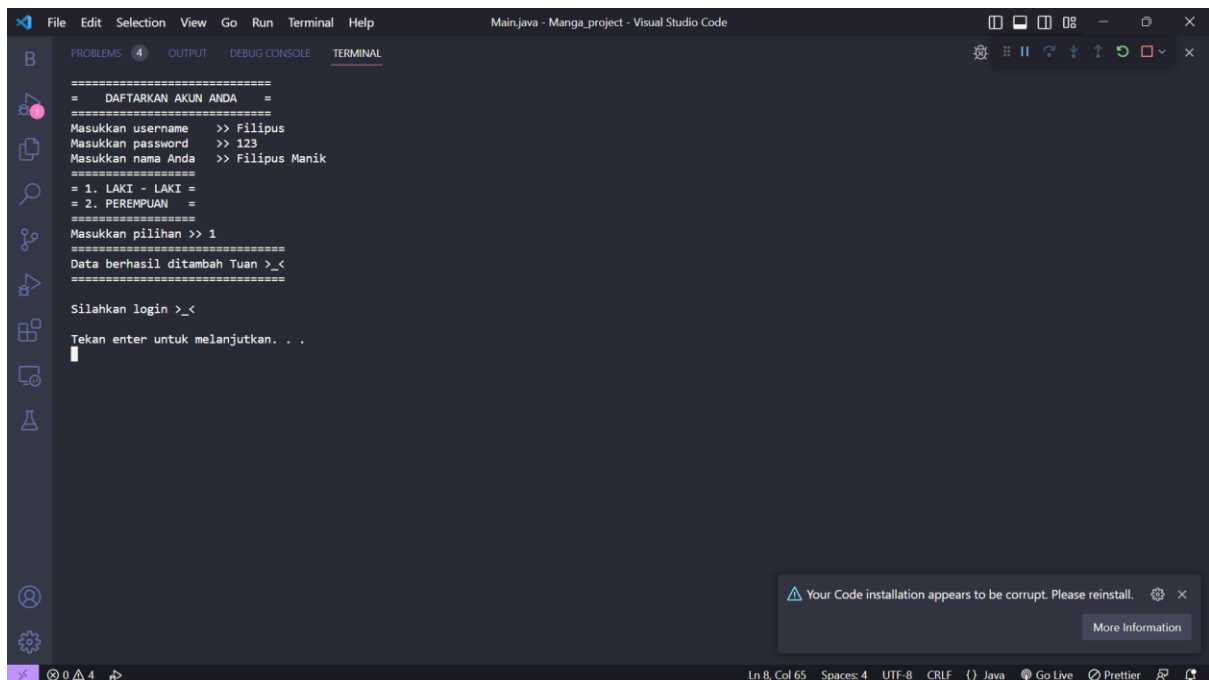

SS PROGRAM

The screenshot shows the Visual Studio Code interface with the 'Main.java' file open. The terminal window displays the following text:

```
=====
= APLIKASI MANGA SAMEHADAKU =
=====
= 1. Daftar                =
= 2. Login                =
= 3. Keluar dari program  =
=====
Masukkan pilihan anda >> |
```

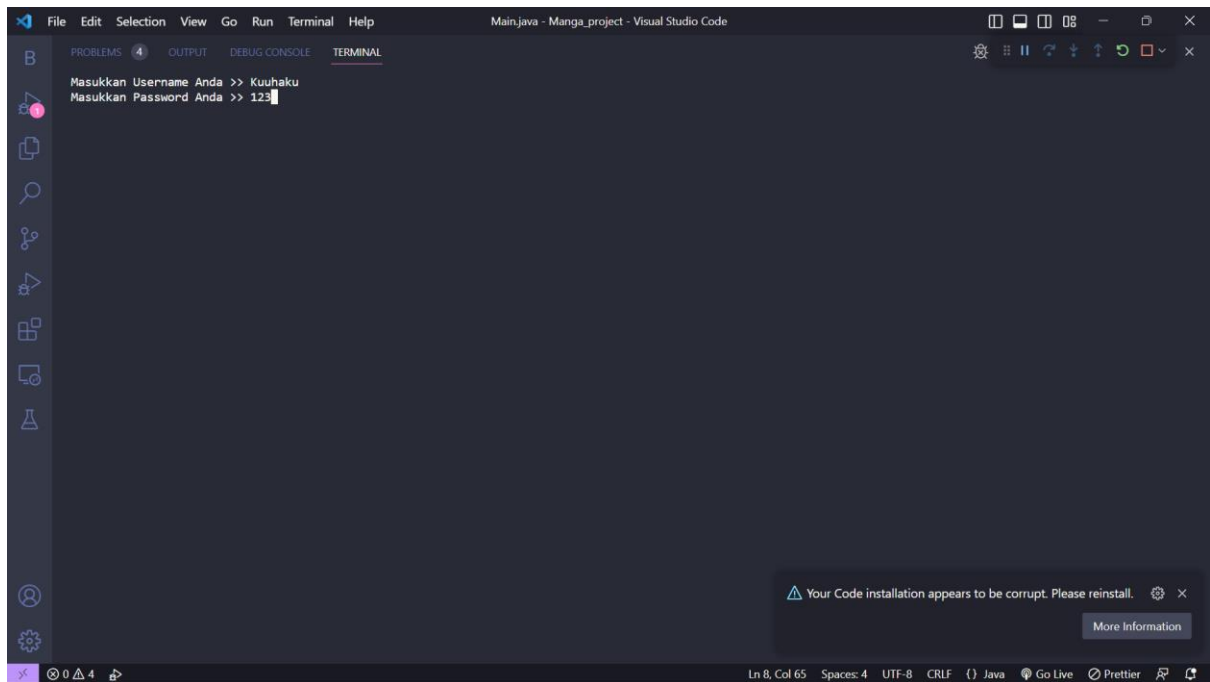

The status bar at the bottom indicates the file is at Line 8, Column 65, using UTF-8 encoding with CRLF line endings. A warning message at the bottom right states: "Your Code installation appears to be corrupt. Please reinstall." with a "More Information" link.

The screenshot shows the same Visual Studio Code interface, but the terminal window now displays the output of the program after execution:

```
=====
= DAFTARKAN AKUN ANDA    =
=====
Masukkan username >> Filipus
Masukkan password >> 123
Masukkan nama Anda >> Filipus Manik
=====
= 1. LAKI ~ LAKI        =
= 2. PEREMPUAN         =
=====
Masukkan pilihan >> 1
=====
Data berhasil ditambah Tuan >_<
=====
Silahkan login >_<
Tekan enter untuk melanjutkan. . .
|
```

The status bar at the bottom remains the same, indicating Line 8, Column 65. The warning message about the corrupt installation is still present at the bottom right.

This screenshot shows the Visual Studio Code interface with the terminal window active. The terminal displays two prompts: "Masukkan Username Anda >> Kuuhaku" and "Masukkan Password Anda >> 123". The status bar at the bottom indicates the current line and column as "Ln 8, Col 65".

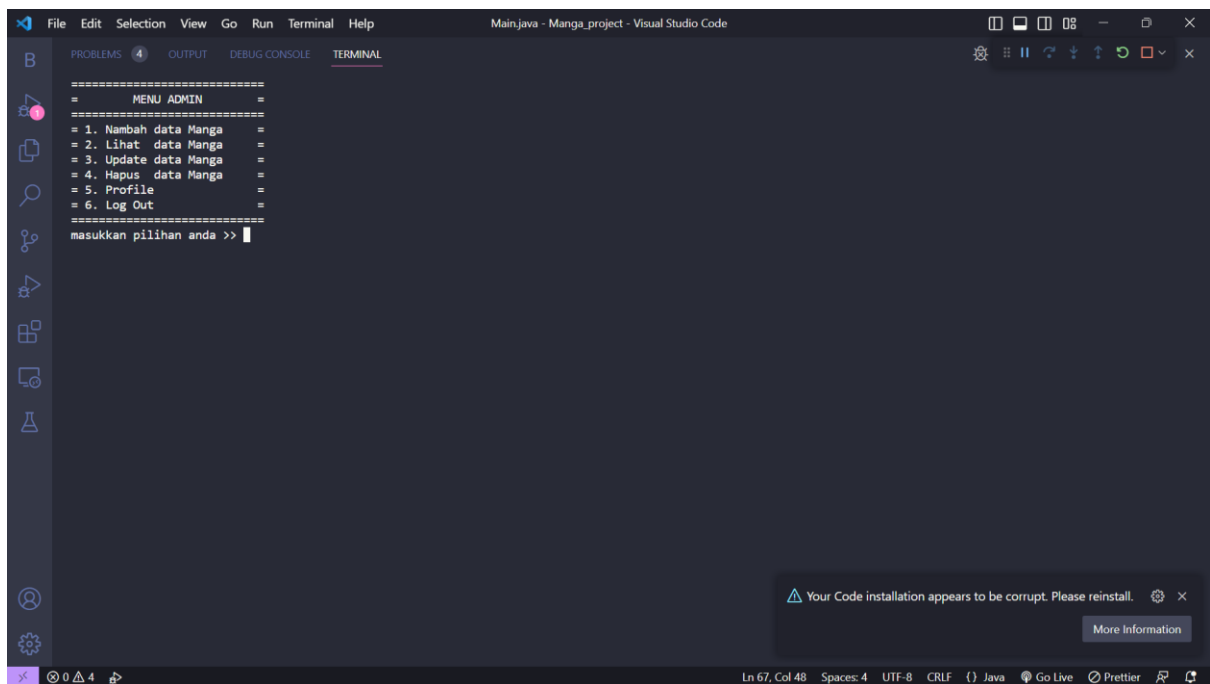

```
File Edit Selection View Go Run Terminal Help Main.java - Manga_project - Visual Studio Code
```

Your Code installation appears to be corrupt. Please reinstall. [More Information](#)

Ln 67, Col 48 Spaces: 4 UTF-8 CRLF {} Java Go Live Prettier

This screenshot shows the Visual Studio Code interface with the 'Main.java - Manga_project' file open. The 'TERMINAL' tab is active, displaying the following text:

```
=====
Data masih kosong Tuan >_<
=====
tekan enter untuk melanjutkan. . .
|
```

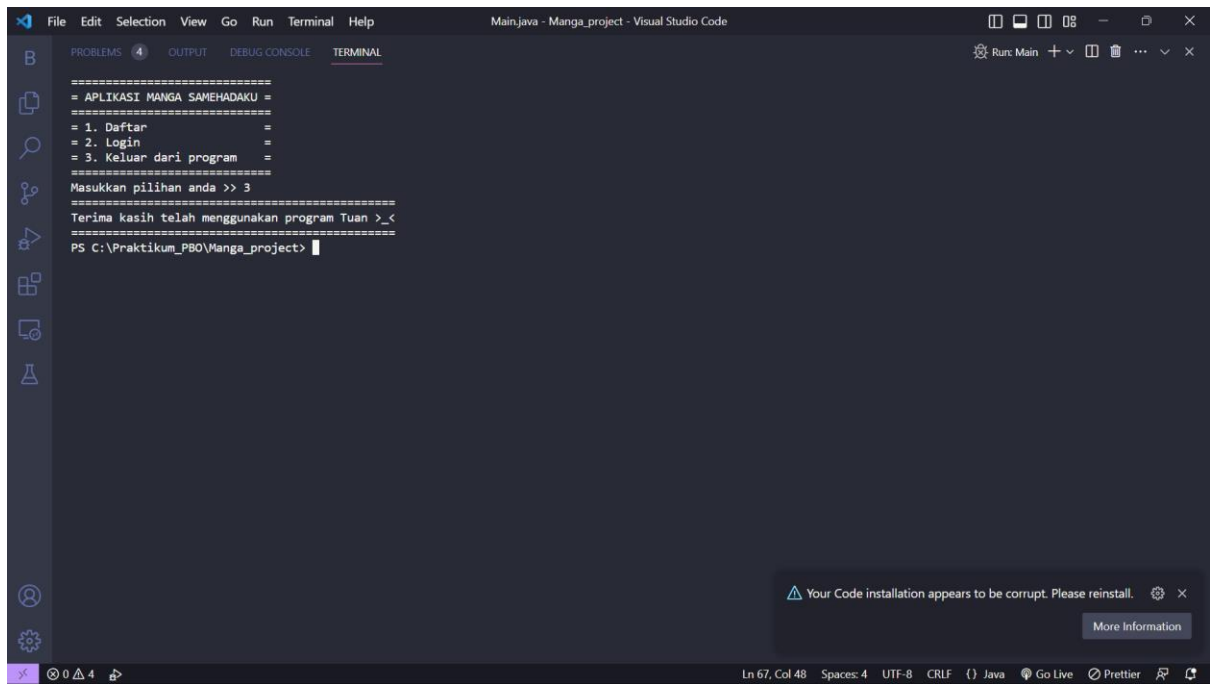

The status bar at the bottom indicates 'Ln 67, Col 48', 'Spaces: 4', 'UTF-8', 'CRLF', and the language is set to 'Java'. A notification in the bottom right corner states: 'Your Code installation appears to be corrupt. Please reinstall.' with a 'More Information' button.

This screenshot shows the same Visual Studio Code interface, but the terminal now displays user input for a login form:

```
=====
Username      >> Admin
Nama          >> Andri
jenis kelamin >> Laki-laki
Privillage    >> Admin
=====
tekan enter untuk melanjutkan. . .
|
```

The status bar remains the same as in the previous screenshot. The 'More Information' notification is still present in the bottom right corner.

Visual Studio Code interface showing a Java program in the main editor and its output in the terminal.

Main Editor (Main.java - Manga_project - Visual Studio Code):
